Make the most of your  
new purchase with  
Sony Mavica  
camera accessories.

Thank you for choosing a Sony Mavica® camera. Now we'd like to help you get the absolute most out of it. These pages are filled with genuine Sony accessories that will help you take better digital photos at work or at play.

See something you like? Just call 1.888.870.SONY or visit us online at [www.sony.com/di](http://www.sony.com/di). You can place your order quickly and easily and then have it delivered right to your door.

# Hard-working Sony Mavica<sup>®</sup> accessories make it easy to take great digital photos.

Right out of the box, your Sony Mavica camera makes it easy to shoot great-looking digital photos and then quickly transfer these images to just about any computer. But your new camera can do even more when you equip it with genuine Sony accessories. Choose from a wide selection of add-on equipment that lets you shoot, store, save, transfer, edit and share your pictures with greater power and precision.

Gain a new perspective on digital photography with your choice of Mavica camera lenses and filters. With high-quality Mavica camera accessories from Sony, nothing will stand in the way of your creativity.

INTRODUCTION ■

# Demanding work? Demand the best lenses.

Make sure your Mavica® camera is ready to work (and play) as hard as you do by taking along a quality Sony lens. Capture panoramic vistas or big family gatherings with just one shot. Or zoom in tight to focus with pinpoint accuracy on the star of your scene. With Sony wide-angle and telephoto camera lenses in your bag, you'll be ready for anything.

## High Grade Wide Angle Lens VCL-HG0737X \$190

Broaden your field of view with this high grade lens. It offers unmatched ease of use, making it the accessory of choice for reducing distortion and boosting image detail in a wide angle format.

- 0.7X wide-angle converter for Sony 37 mm diameter lenses
- Lens Design, 3 groups, 4 lenses
- High grade lens in aluminum housing for superb durability
- High grade lens offers twice the detail at the edge of an image
- Edge Distortion minimized

## High Grade Telephoto Lens VCL-HG2037X \$190

Get astounding detail in a telephoto view. This high grade lens delivers twice the edge detail thereby insuring optimum image quality.

- 2.0X telephoto converter for Sony 37 mm diameter lenses
- Helps make distant subjects appear closer
- Lens Design, 3 groups, 4 lenses
- High grade lens in aluminum housing for superb durability
- High grade lens offers twice the detail at the edge of an image
- Edge Distortion minimized

### High Grade Wide Angle Lens VCL-MHG07A \$145

When your shot demands a wide angle format without sacrificing a single detail, this is the choice for you. Impressive quality at an affordable price.

- 0.7X wide-angle converter for Sony 52 mm diameter lenses, supplied converter for 37 mm and 58 mm lenses
- Lens Design, 2 groups, 2 lenses
- High-grade lens in aluminum housing for superb durability
- High-grade lens offers twice the detail at the edge of an image
- Edge Distortion minimized

For use only in wide angle setting.

### Wide Angle Lens VCL-ES06A \$60

When you need to capture the big picture, reach for this affordable wide angle lens. It clips on fast, making it quick and easy to get a wide angle view.

- 0.6X wide-angle converter for both 37 mm and 52 mm diameter lenses
- Lens Design, 1 group, 1 lens

For use only in wide angle setting.

### Wide Angle Lens VCL-0637H \$50

An economical choice that provides a crisp, wide angle view.

- 0.6X wide-angle converter for Sony 37 mm diameter lenses
- Lens Design, 3 groups, 3 lenses

# Attention to detail.

Direct, harsh light from the sun can wash out the detail and contrast from your photos. And bright reflections from glass or water can make it nearly impossible to get the shot you want. Sony filters help eliminate unwanted sunlight and glare so you can concentrate on capturing the perfect image.

## Polarizing Filter Kit VF-37CPK \$70

- Circular polarizing filter suppresses unwanted reflections off glass and water
- Multicoat Filter protects lens from dust and scratches
- Fits Sony 37 mm diameter lenses

Unfiltered

Filtered

Unfiltered

Filtered

## Neutral Density Filter Kit VF-R37K \$30

- Neutral Density Filter improves contrast and detail in super-bright sunlight (such as at the beach)
- Multicoat Filter protects lens from dust and streaks
- Hard carrying case for protection
- Fits Sony 37 mm diameter lenses

# See eye to eye.

What you see is truly what you get with the Sony Eye-Level View Finder. This handy attachment helps you better compose your shots by showing you exactly what's within your Mavica® camera's vision. Just think, you'll never cut off someone's head in a picture again!

## Eye Level View Finder DSAC-MVC \$79.95

- Attaches to the LCD screen
- Provides eye level composition, for easy shooting
- Eye piece diopter adjustment
- Compatible with MVC-FD100 and MVC-FD200

# Added protection, just in case.

Protect your Sony Mavica® camera from some of life's harder knocks with a top-quality carrying case. Offering great value, these rugged cases shield your equipment from bumps, jolts, inclement weather and more. Plus they have plenty of extra space so you can take along all of your Mavica accessories. Or get everything you need to start snapping superb digital photos with our handy, all-in-one Mavica camera kit.

## **Deluxe Soft Carrying Case LCS-VA3 \$35**

- Compact, easy-to-carry shoulder bag
- Attractive black simulated leather and extra padding protect your camera
- Front, side, and upper mesh pockets give plenty of room for your Mavica, spare battery packs, chargers, cables, and other small accessories
- ID card holder, operating manual holder
- False bottom for extra protection, extra storage

**Digital Mavica Starter Kit**  
**ACC-MVC2 \$79.95**

- All the accessories you'll need to get started
- Soft carrying case with handy shoulder strap
- High capacity InfoLithium® rechargeable battery (NP-F550) provides up to 2.5 hours and up to 1,600 shots without flash
- Three Sony floppy disks store up to 40 pictures each (VGA size)
- Cleaning cloth for LCD panel and lenses

**Digital Mavica Soft Carrying Case**  
**LCS-MVC4 \$19.95**

- Designed for carrying on supplied shoulder strap or belt
- Extra padding helps protect your camera
- Separate compartment for spare floppy disks and battery

AccuPower™ battery meter displays in the viewfinder, or on the LCD monitor, remaining battery time in minutes.

Stamina® Power Management—reduce power consumption to extend battery life.

**Pocket Tripod  
VCT-TK1 \$20**

- Ideal for mounting on a table or desk
- Uses standard screw mount
- Works with digital still cameras and camcorders

**Steady  
as you go.**

Imagine the creative pictures you'll take with a Sony tripod at your side. Simply mount your Mavica® camera on one of these tripods and soon you'll be snapping rock-steady timed exposures or detailed close-ups with ease. It's the smart way to shoot as steady as the pros.

**Lightweight Tripod  
VCT-R610 \$50**

- Expands from 21" to 61.5" in height

# Ready...Set...Charge!

Why let a low battery get you down? Small, lightweight and portable Sony battery chargers make it easy to put the juice back into your Mavica® camera. There's even a handy Sony adaptor that lets you tap into your car's battery for re-charging. So you'll be ready to capture those scenic shots on your next long road trip.

## AC Adaptor/Charger AC-V700A \$150

- For Sony InfoLithium L Series batteries (NP-F330, F550, F750, F960)
- Informative LCD panel shows time left to full charge
- Buzzer notifies when charging is complete

## Car Battery Adaptor Cable DCC-L50 \$70

- Powers your Mavica camera directly from a car's cigarette lighter socket
- Compatible with MVC-FD100 and MVC-FD200

To order from

# Bring new energy to your shots.

Don't risk missing those once-in-a-lifetime pictures. Make sure you're ready to capture every important moment with a Sony InfoLithium® Battery. Thanks to your Mavica's AccuPower™ display, you always know how many minutes of battery life you have left. Plus because they resist "memory effect," these genuine Sony camera batteries will not prematurely run low on power. Which means you're always ready to shoot your next masterpiece.

## InfoLithium L Series Batteries NP-F550 \$60

- High capacity InfoLithium rechargeable battery provides up to 2.5 hours and up to 1,600 shots without flash
- 7.2V, 10.8 Wh (1500 mAh)

## Compact Dual AC Travel Charger BC-V500 \$160

- For Sony NP-F330, F550, F750, and F960 InfoLithium batteries
- Convenient two battery charging
- AC plug retracts for compact portability

*Battery sold separately*

## Portable AC Charger BC-V615 \$60

- For Sony NP-F330, F550, F750, and F960 InfoLithium batteries

# There's a new kind of **mouse** in the house.

Memory Stick® Digital Media makes it convenient to transfer your Mavica photos to a PC for editing, storage, emailing and more. And now, it just got even easier with the revolutionary new Sony Optical Mouse. Featuring its own Memory Stick media slot, this versatile mouse plugs into any available USB port on your computer. Or choose a Memory Stick media adapter that plugs right into your computer's floppy disk drive, PC card slot, or USB port.

Memory Stick® Media and Memory Stick accessories are compatible with MVC-FD100 & MVC-FD200 models only.
